President

Rick Stammer: rstammer@iastate.edu

I've been VP this year; I have been the treasurer of several organizations on campus as well as VP of Racquetball Club. Racquetball club membership plus my GPA being over 2.0 qualifies me and I believe I would do a good job of running SCC as I have been involved this year and know quite a bit about the internal workings of different clubs on campus.

Vice President

Jim Smaga: smags1786@gmail.com

Hi Jessica, I don't know if you remember me or not. I talk to you at the last SCC meeting (3/25), about running for a position on the new SCC exec. I was thinking about running for the Vice President positions. As of right now I feel that I can really help out the sports club councils over the next year and maybe even more. I was just recently elected as the Inter-Fraternal Council Senator for the Government of the Student Body. I feel that It will be really helpful, if someone on the SCC was also apart of the GSB. There is a great deal of untapped sources that the council can use to there benefit. If feel that I can better represent the ideas of the clubs along with the ideas of the GSB, that way we could work together more frequently to get an understanding of what opportunities we have. So if you could respond back to this e-mail with some information regarding both the elections along with the rolls of the Vice President that would be great. Thanks again for your time, and I hope to be hearing back from you soon.

Treasurer

Andy Goers: goers1@iastate.edu

I'd say I'm qualified for the position because I'm currently the treasurer for the Cyclone Bowling Club, and I really do have a desire to see SCC (or SRLC) improve over the next year. I have a few ideas about what I'd like to see from SORB and the new clubs in the next year or so. Next year will be my third year as a physics major at ISU, so I'll be around my senior year for a little continuity on the executive board if I were to be elected again. Also, if anybody cares, next year's finance director is my roommate, which means easy access for questions and nagging :)

Secretary

Lisa Yeske: lmyeske@iastate.edu

What makes me qualified for Secretary of the SCC is my diligence. I am just a freshman this year, but I ran for SCC rep in Rodeo club and won the Jr. position. When I attended my first meeting, I found out that the senior rep was no longer going to show up at the meetings because he was graduating this spring. I was a little scared, but I kept coming to meetings and figured out how things work in the council. Now I feel confident in the workings of SCC. Another attribute I have for this position is a great memory. I can remember details very well. My family and friends always make fun of me for memorizing lines in a movie after only watching it once. This skill will help when people are continually talking at meetings. I am also very approachable. I relate to people that makes them feel comfortable. Talking in front of people also does not bother me because I have several years of experience in the performing arts. Finally, when I decide to do something, I do it with all my might. If I say I will be there, I will unless something strange happens. In that case, I always notify someone prior to my absence. Thank you for your time. Please consider me for the position.
