Spouses and dependents (18 year of age or older) of current ISU students are eligible to purchase a pass. They must have their own valid ISUCard encrypted with the current version number.

**Continuing Student Pass:**

This pass allows ISU students continued access to Recreation Services facilities, programs, and services during a semester or summer session when they are not officially enrolled as students. To be eligible for the Continuing Student Pass, a student must have been enrolled and completed the previous academic session at ISU. Eligibility to participate in the Continuing Student Program will be verified by the Recreation Services Department. Eligibility and enrollment forms are available at the Recreation Services Administrative Offices, State Gym and at the Lied Recreation Center Service Desk.
